

LOVE DRAMA

Curriculum for Excellence Workshops

Drama: | Games

Content

Our Love drama facilitator has some games they want to show you, but you better be careful because they're quite competitive, and you'll have to think and move fast to keep them on their toes! Have fun as we teach you a variety of drama games that encourage and develop skills in communication, teamwork, problem solving and co-ordination. The games are fun and active whilst also ensuring that the minds of the participants are engaged and challenged. This session will also provide the participants and the classroom teacher with the knowledge and experience to facilitate these games in the future, in any situation, in order to boost energy, work ethic or improve focus.

Learning Level

Suitable for early and first stages with information and delivery adapted to the needs of your class.

This workshop is also suitable for teachers, educators and youth workers in order to provide additional skills in facilitating learning.

Space

A large clear space, most suitable would be either a gym or assembly hall.

Time

Early/First – 60 minutes

Second – 90 minutes (Adults: As required)

Additional Information

As with all of our workshops it is extremely important the class teacher stays with the group at all times. This ensures that the learning experiences and outcomes are shared and that our workshops contribute effectively to the development of each and every young person.

Love Drama prides itself on creating a bespoke service that meets the needs of its clients. Love Drama is flexible and responsive to individual requests and the dissemination of all workshops can be tailored to complement the outcomes and experiences you have included in your forward planning. You may choose to work with us in a one-off session, over four weeks or for the duration of a term, in order to create a learning experience that effectively supports all participants. If you have any queries regarding participation within these workshops, please do not hesitate to contact us.
